

Family Life Center Building Fund Reaches Million Dollar Milestone May 2009

Within the last few weeks the funds received from the pledges for the Family Life Center reached the \$1 million dollar milestone mark. With your support, this milestone was reached only one year after the Capital Campaign began.

The success of the Family Life Center campaign is due in large part to the outstanding volunteer efforts of the Growing in Faith committee members.

According to Executive Pastor, Lyle Benson, "We are very thankful for the efforts of our volunteers and staff who have worked so hard to make this possible. We are extremely grateful for the wonderful generosity of all who have graciously contributed to the campaign to make the \$1 million milestone a reality."

As we reach beyond the ordinary to achieve the extraordinary, the Family Life Center will enhance the ministries of Trietsch. We are confident that we will surpass our goal.

The Building Committee has been hard at work over the last several weeks, as they have received personal presentations from five General Contractors. The committee decided to go with MEDCO as the General Contractor for the project.

The architects will complete the final documents in the beginning of May and then MEDCO will price the final estimate for completion of the project. We have our loan package requests out to potential lenders and are answering their questions at this time.

We are on schedule for a final charge conference some time in September. Once we have the loan package in place and final construction documents from MEDCO we will schedule the Charge Conference.

If you have not already pledged to the Family Life Center and would like to, you can pick up a pledge card in the church office or [CLICK HERE](#) to download one.

We have also just added a convenient way to donate to Trietsch online. You can also make your pledge payments at www.tmumc.org anytime.

If you have any questions, contact Rev. Lyle Benson at lyleb@tmumc.org.
