Bricks of Courage

*Veterans
Memorial
Plaza*

***A moment of honor
A lifetime of gratitude***

The Bible's vision is that in God's future there will be no more war and the nations "Shall beat their swords into plow shares and their spears into pruning hooks". Isaiah 2:4

Though the ages have prayed for it, that day has not yet come and until it does we are proud to honor those who defend our nation and freedom in the military.

Honor and Gratitude

A group of members from Trietsch Memorial United Methodist Church envisioned a place to honor veterans from our community and their loved ones.

There are numerous monuments for veterans but not a local place of remembrance for those that have touched the lives of our local citizens.

A team was formed and has begun a fundraising effort to build the Veterans Memorial Plaza. As pictured below, the Memorial will be a lasting tribute to veterans' achievements and sacrifice on behalf of our grateful communities.

The center of the Memorial will be graced by a beautiful obelisk surrounded by flags representing the United States, the State of Texas and the Armed Forces of the United States. Surrounding the memorial will be walkways of honor with inscribed bricks honoring veterans.

Purpose

The purposes of the Veterans Memorial Plaza are:

- A sacred place to pray for peace in the world, that eternal hope for which the brave men and women in the military serve and so nobly sacrifice.
- To recognize and commemorate in a lasting manner the accomplishments and service of the men and women of the Armed Forces of the United States in peace and war.
- To provide a quiet, tranquil, and peaceful place where family members can come to grieve and celebrate the lives of those who have served in the Armed Forces of the United States.
- To provide a place of learning where we can educate our young that freedom is not free, and that brave, courageous, selfless Americans like those who will be honored here have risen to the occasion and served honorably for the peace and security we now enjoy.
- To inspire in the citizens of Flower Mound and surrounding communities patriotism, selflessness, and a willingness to serve.

How to Help

A brick campaign will allow families, friends and organizations to memorialize their loved ones through a personalized brick in their honor. Additional forms of sponsorship available.

I would like to sponsor the following:

___ Military Seal on Obelisk—\$1000

___ Granite Benches—\$5000

___ Flagpoles—\$5000

___ Obelisk—\$10,000

___ I would like to purchase one or more bricks

Check or money order is the only form of payment at this time.

Indicated brick prices are set as low as possible so as not to exclude anyone from participating. Other donations or sponsorships of other areas of the memorial will help us fully underwrite the cost of this memorial. Thank you!
